Tips on how to order

1. Select the color choice(s) including number and description for the fabric top. You may use one solid color or two alternating colors. (See the diagrams below.)
2. Select the braid color choice for the bottom trim of the fabric.
3. Select the height of the pole required. Some tables require optional bases. Call if any questions. 800-332-8303
4. Select the quantity of umbrellas required for this color choice.
5. Determine the number of logos (if any) you would like on the drop valance of the fabric. The fabric top consists of 6 panels. Typically, every other panel (3) or all panels (6) have a logo. The price on the order form is per panel.

Example:

Logos on 3 of 6 panels would be \$42.00 per umbrella plus the one-time set up charge of \$40.

Logos on 6 of 6 panels would be \$84.00 per umbrella plus the one-time set up charge of \$40.

6. Logo prices are for a one-color logo. Please call for other customized quotes.
7. All units may be shipped UPS. There are two boxes per unit weighing 15 and 45 pounds. Call us for shipping charges.
